

# Dinosaur Week

A week long adventure about the prehistoric age.

Dino Week is a great week for adventurers and explorers. Our Campers will be acting crazy all week, pretending they are dinosaurs and exploring nature. It is an action-packed week great for girls and boys who love make-believe.

During the week, each child participates in several activities, songs and dances designed to teach about dinosaurs. During Diggin' Dinosaur Adventures, children explore different aspects of dinosaurs including, dinosaur eggs, dinosaur sizes and shapes, and dinosaur fossils. The emphasis of these Adventures is history as children learn about how dinosaurs once lived a long time ago.
