

# Pirate Week

A week long adventure about the life of pirates

Pirates on the High Seas is all about how having fun. Our Pirate Campers will be searching for treasure throughout the week while learning to dress and act like real pirates. Your kids will come home exclaiming pirate phrases like “Aarrgh” and “Landlubber” and may wear their eyepatch to bed.

Each child participates in several activities, songs and dances designed to teach about pirates. During Pirates on the High Seas sessions, children explore different aspects of pirates, including their clothes, ships, and treasures. The emphasis of this adventure is geography. Children learn that pirates live on the seas and that maps help us determine where certain landmarks are located.
